THE ARTICLE

Jennifer Lopez in anti-fur stalking

BNE: Anti-fur protestor Heather Mills McCartney is threatening to stalk actress Jennifer Lopez. The wife of ex-Beatle Sir Paul McCartney has targeted Ms Lopez because of the singer-actor's love of fur. Ms Lopez often attends movie premieres and awards shows wearing expensive fur coats. She says she wants to be "educated" as to why she should not wear them. She has angered animal rights activists for many years. They accuse her of making fur fashionable. She has made it an attractive item for the young and wealthy to want to buy.

Ms McCartney's latest stalking attempt ended painfully when she lost her prosthetic leg in a fight with security guards at the New York offices of Ms Lopez's fashion company. Ms McCartney wanted to deliver a DVD to Ms Lopez, which contained a documentary of how animals were brutally killed or skinned alive for their fur. Ms McCartney had to replace her artificial leg in a stairwell, as the guards refused her entry to a restroom. She promised to continue her crusade against Ms Lopez, and to "show up" at her home or "get a hold of her at her premieres".

SPEAKING

ROLE PLAY: This role play is to discuss whether or not Heather Mills McCartney should be arrested for stalking. Team up with classmates who have the same role as you. Develop your roles and discuss ideas and “strategies” before the role play begins.

Introduce yourself to the other role players.

Role A – J-Lo

You are angry that McCartney woman is stalking you. She is giving you and your fashion company lots of bad publicity. There is nothing wrong with buying fur coats. It is fashion. You think Ms McCartney should focus on more important issues, such as war or hungry children.

THINK OF MORE REASONS TO BE ANGRY ABOUT.

Role B – Heather Mills McCartney

You are very angry that such a high profile singer and actress is wearing and selling fur. You have proof animals die in great pain. You believe celebrities have a responsibility to teach people about the Earth and its creatures. You will not stop trying to talk to J-Lo. You are not stalking her.

THINK OF MORE REASONS WHY KILLING ANIMALS FOR FUR IS BAD.

Role C – Mink farmer

You are fed up with animal rights protesters attacking your mink farm and giving your industry a bad name. No one attacks leather in the same way. Farming mink is the same as farming chickens. People who say minks die in pain or are skinned alive are liars.

THINK OF MORE REASONS WHY THE FUR TRADE IS A DECENT ONE.

Role D – Minky the mink

You have insider information that millions of animals suffer great pain before they die. Mink farmers don’t want to spend money on making sure minks die “nicely”. You don’t understand why humans want to wear mink when artificial fur is warmer and cheaper. You’re worried about your family.

THINK OF MORE REASONS WHY YOUR FRIENDS SHOULD NOT BE SLAUGHTERED.

Change roles and repeat the role play. Comment in groups about the differences between the two role plays.

In pairs / groups, discuss whether you really believe in what you said while you were in your roles.
