THE READING

From <http://www.breakingnewsenglish.com/1709/170919-hair-loss-0.html>

Research says bald men should not worry or get stressed about their looks. It shows that women and men think bald men are more attractive, confident and taller. People rated photos of men. Bald men came top in every category. The study said people thought bald men were taller and stronger than men with hair.

The study said bald men could do better in life. They could be more successful. There is some bad news for bald men. They look about four years older. About 85 per cent of men will go bald by the age of 50. Men spend billions of dollars every year trying to stop hair loss. Men should finish what Mother Nature has started.
